Deva was a man of many gifts.

Patience, love, understanding, caring,
wisdom and so on. I am so happy,
that I was a recipient of all his gifts.

He is missed so much.
I love you, Deva Ghosh.
Love always for you,
Deloris

His life was his work and he was not
planning on stopping any time soon.
He was always so proud of our education...
becoming a professor was his true calling.

He always spoke to us in Dutch, loved
cheese and his favorite Van Gogh tie,
and would get up at 3am if his favorite
voetbal team Arsenal was playing...

May his soul be at peace and free.
Love you, Pap.
